BUILD A REPUTATION.

When you build a model, you build a reputation, too. A reputation for hard work. Care and concentration. Attention to detail.

And when it comes to details, one model company's reputation stands above all the others. MPC. Every MPC model is 100% authentic. Down to the smallest detail.

And MPC has a wide selection of

reputable models to choose from. Including their unique line of '87 American High Performance cars, models of the latest cars in production.

Plus, every kit comes with easy-to-follow assembly instructions. So you know, when it's finished, your model will look terrific. And a good looking model can earn you a good looking reputation.

Just like the real thing. Only smaller.

***** Remember I told you about the comic book stories which are produced in England but have never appeared in America? Well, we've finally taken one of these stories and printed it in our digest-sized STAR COMICS MAGAZINE #5... which is on sale right now! The story features the Care Bears and it's

called "Cool It, Coldheart!". It was written by Wilf Prigmore, drawn by Mario Capaldi, lettered by Annie Helfacre, colored by Jo Baker and edited by Diana Barton. Please write to me, and let me know what you think of it? Should we print more of these stories from England? How do you like them compared to the

usual stories we produce?
That's all for now!

Thanks for being there!

ASSISTANT EDITOR

c/o S.T.A.R. COMICS, 387 PARK AVE. SOUTH, N.Y.C., N.Y. 10016

Dear STAR,

I was just reading issue #10 ("The Weather Demon") and I'd like to thank you for writing a story where Animal, my favorite character, starts the adventure.

I was also reading the Muppet Mail and I saw a Canadian letter. Way to go, Canadians! Well, from New Glasgow, Nova Scotia ... go bye-bye!

Keith Greene
New Glasgow, N.S.
CANADA

Did you see ish #12, Keith? Animal was the main problem—or, main character—all the way through both "Color Crazy" and "Dr. Bunsenstein's Monster." Hope you liked it!

Dear STAR,

I love MUPPET BABIES. I watch the cartoons and I read the comics. My favorites are Piggy, Kermit, and Gonzo. One thing that bothers me is that I don't know what Gonzo is. My brothers say he looks like some kind of bug, but really he doesn't look like a bug. I think he's an alien that's been left behind or his planet blew up or something like that. I'm not really sure. And I'm sure nobody else is, either.

Jennifer Gilliam
Bremerton, WA

You're right!

Dear STAR,

My name is Kristi, and I am wondering why Piggy wears the same outfit in almost every issue. And why can't Fozzie tell a good joke once?

Kristi Shivers
Newcomerstown, OH

Piggy says that when you find an outfit that flatters your figure, you should stick with it!

As for Fozzie, if he ever figures out a good joke, betcha he tells it a lot more than just once!

Dear STAR,

In MUPPET BABIES #12, what colors were in the Magic Crayon? How terrible does Animal really color? Is there really a magic crayon?

Michelle Szapeczyczyk
Grand Rapids, MI

The Magic Crayon was full of zillions of different colors—far too many to list here, Michelle! And you can judge for yourself from the story—Animal is not good at coloring inside the lines.

We haven't come across a magic crayon around the STAR offices yet, but that doesn't mean one doesn't exist. Come to think of it, we were wondering why this season's clothes fashions were so colorful ... Could it be ... ?

Dear STAR,

I really like your comics a lot—especially MUPPET BABIES and MADBALLS. I've been reading them since 1985! I missed MUPPET BABIES #4. Is it possible to get it anywhere? My favorite characters would have to be Animal and Kermit and the rest of the BABIES.

Sean Adolph
Saskatoon, Sask.
CANADA

Sorry to say, we at STAR can't handle back issues. Your local comics dealer may be able to help. If not, try contacting one of the mail-order companies that deal with back issues. Many of them advertise in MARVEL titles.

Dear MUPPET BABIES,

Art! My name is Pepper. I'm a dog, and my owner (Karen Jaeger) and my favorite Muppet Baby is Rowlf the dog. I'm in the doghouse because I read and love MUPPET BABIES, but I have never read an issue when Rowlf was top dog. Don't get me wrong, I love all the other Muppet Babies, but couldn't ROWLF get in an issue about him, too?

Your fan,

Pepper Jaeger
Charlotte, NC

Bark and you will be heard! Your suggestion is a good one, and we promise to work on it for you (and Karen, too). We didn't mean to make things so ruff—uh, rough—for you, Pepper!

Dear STAR,

I am 9 years old, and I'm always reading MUPPET BABIES comics. I watch the cartoon. I really enjoyed MUPPET BABIES #13 ("The Strange Case of the Missing Mermoid Costume" and "Out of This World"). Fozzie told some pretty bad jokes, but that's what makes it funny.

This is a question I have been dying to ask you: why don't you show Nanny's face?

Jennifer Beasley
Jackson, MI

At the moment, there's a good possibility we will see more of Nanny in an upcoming issue ... if you get our drift! Stay tuned!

Dear STAR,

I really like your MUPPET BABIES comic books!

I wasn't here when you announced the winner of the First Annual Super-Star Awards, so I would really like to know who won. Please (if you print this), tell me who won.

Also, my friend Leia and I have been trying to draw the Babies, and I think we are doing a good job. Here is a picture of Animal.

Alison Moulton
Nevada City, CA

We think you're doing a good job, too, Allison—nice pic!

The winner of the First Annual Super-Star Awards Contest was our stellar writer, Dashing Dave Manak, who received an avalanche of votes! Dave writes HEATHCLIFF, MADBALLS, TOP DOG, EWOKS ... plus his newest project, BULLWINKLE & ROCKY! The premiere issue will be on sale soon, and we think Dave has surpassed even his own hilarious standards, so watch for it!

(By the way, don't forget to keep reading all Dave's comics—'cuz he really wants to win the award again in '87!!)

Dear STAR,

I read all STAR Comics—at least, I think I do, because I've read so many. But my favorite is MUPPET BABIES! I have numbers 3, 4, 5, 6, 8, 11, 12, and 13. I plan to get #1 soon. Anyway, I have a question to ask you. Do you make MUPPET BABIES once a month, or are you quitting the series?

Anthony Loriso
Pomona, CA

No way! MUPPET BABIES is published bi-monthly, which means a new issue is on sale only every other month. If you're not sure when to plan a trip to the newsstand, try getting a subscription. You'll never miss an issue again! (And Anthony, what about numbers 7, 9, and 10??)

Dear STAR,

I love the MUPPET BABIES. I love to read the MUPPET BABIES comic books all the time. Sometimes I read them over again because they're so good. My favorite Babies are all of them, but I like Fozzie the best because he is funny like me. Why does everyone throw tomatoes at him? He tells good jokes. Do you ever see the Muppets live? Well, if you do, could you get their pictures with all their autographs? Tell Fozzie I love him and tell all of them hi.

By the way, I am a big fan of MUPPET BABIES.
